Dear Participant:

Your request for your annuity benefits has been received at the Fund Office. Enclosed is the preliminary application.

Please fill out the information requested on the application and return it to the Fund Office. The first paragraph on the application tells you what documentation we require to process your application.

When we receive the application back with the required documents we will send you out another set of forms to be filled out and notarized. Upon completion of these forms, if you are awarded the benefits, you will receive a letter in the mail letting you know that you have been approved and the amount of the check you will receive.

You will receive 75% of the benefit and the balance of 25% when the next interest quarter is posted. The 25% will automatically be sent to you. If you chose to receive the initial payment directly to you, the balance will also be sent directly to you. If you chose to roll over the initial amount, the balance will also go into your Traditional IRA.

If you have any questions, please contact me at the number listed above.

Sincerely,

Irene Weitz
